CIVIFY

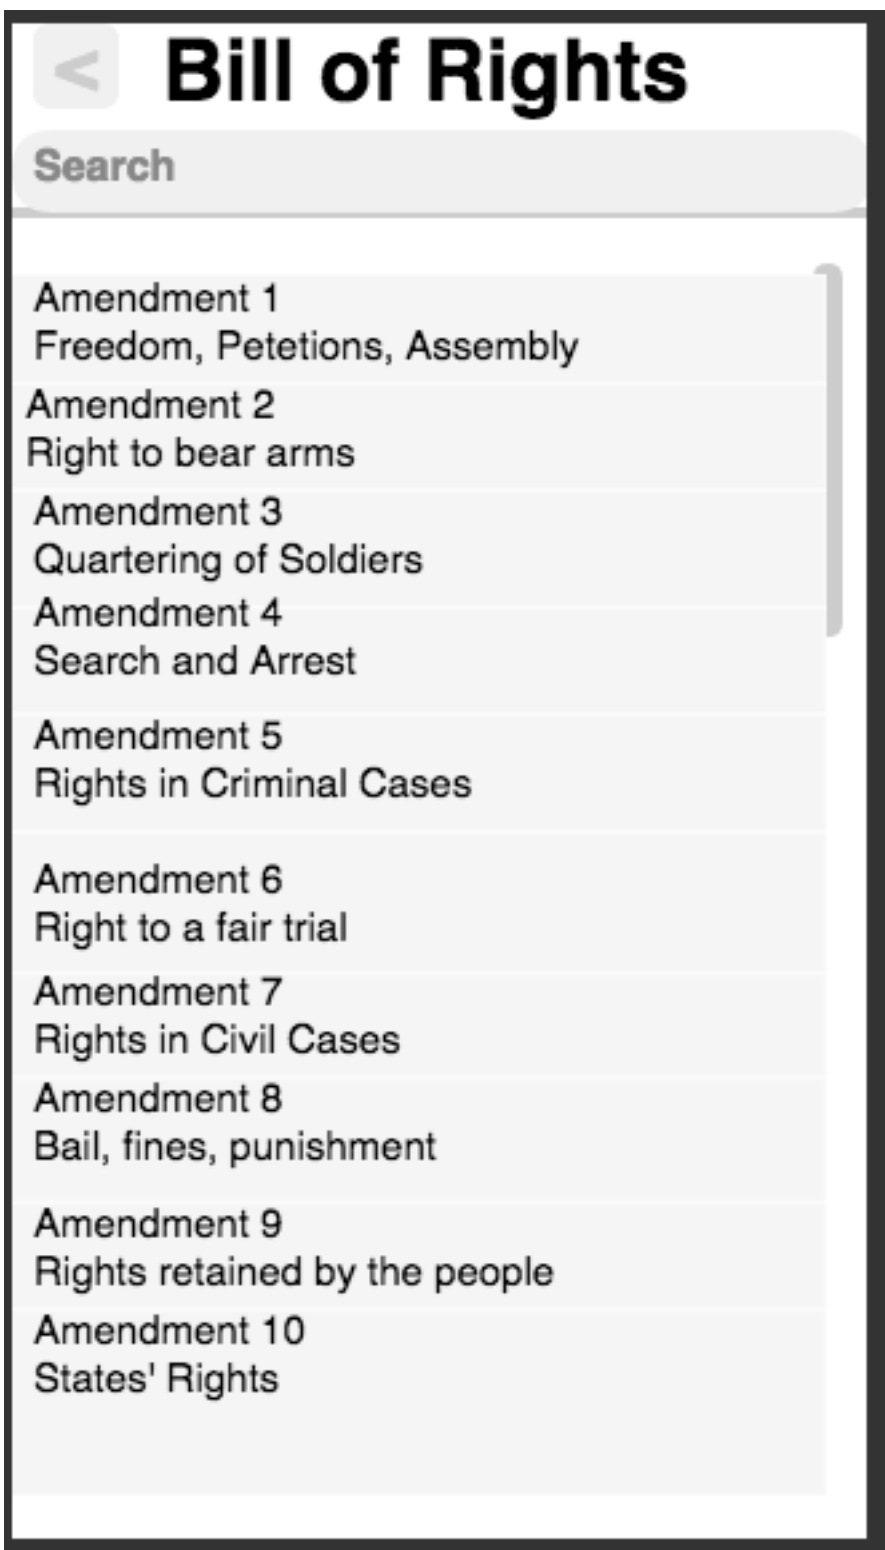

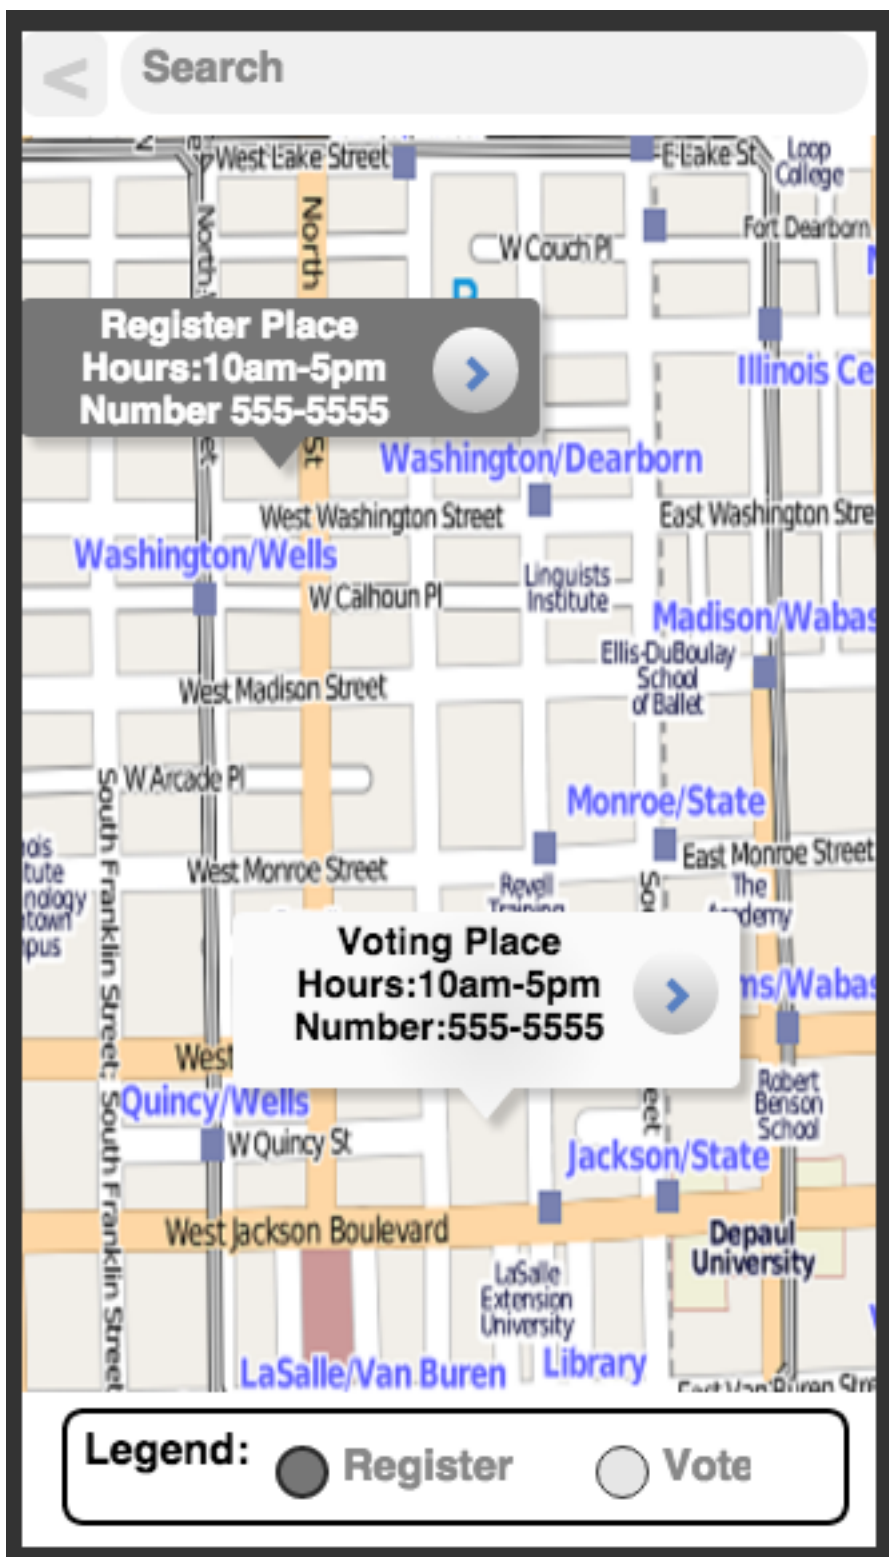

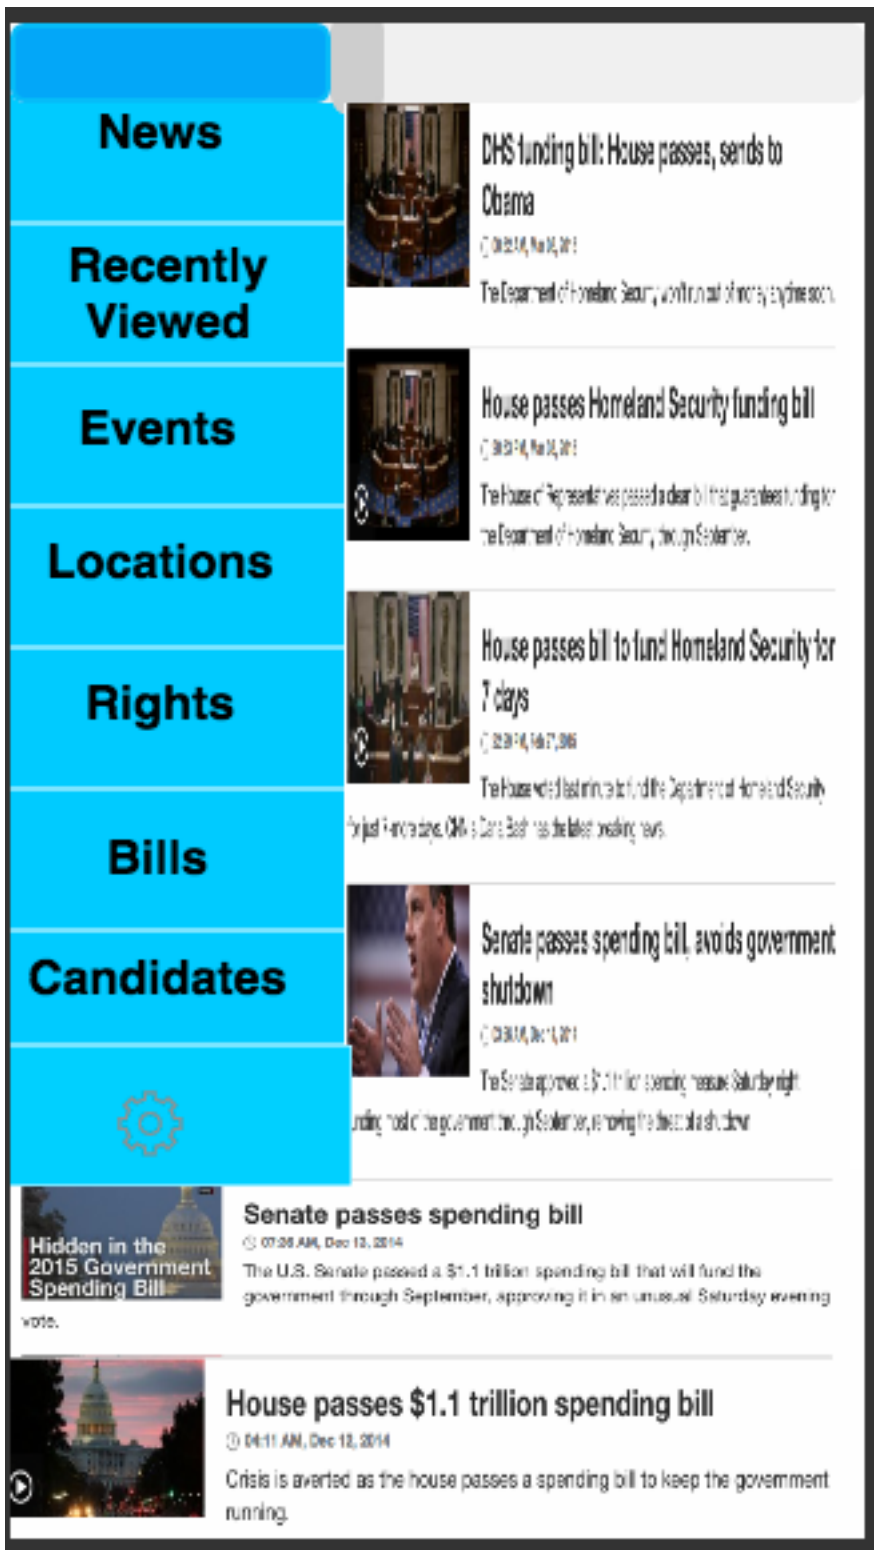

What is this?

Civify is an app that provides information on everyday politics, rights, and bills as well as current elections in Chicago.

What it does?

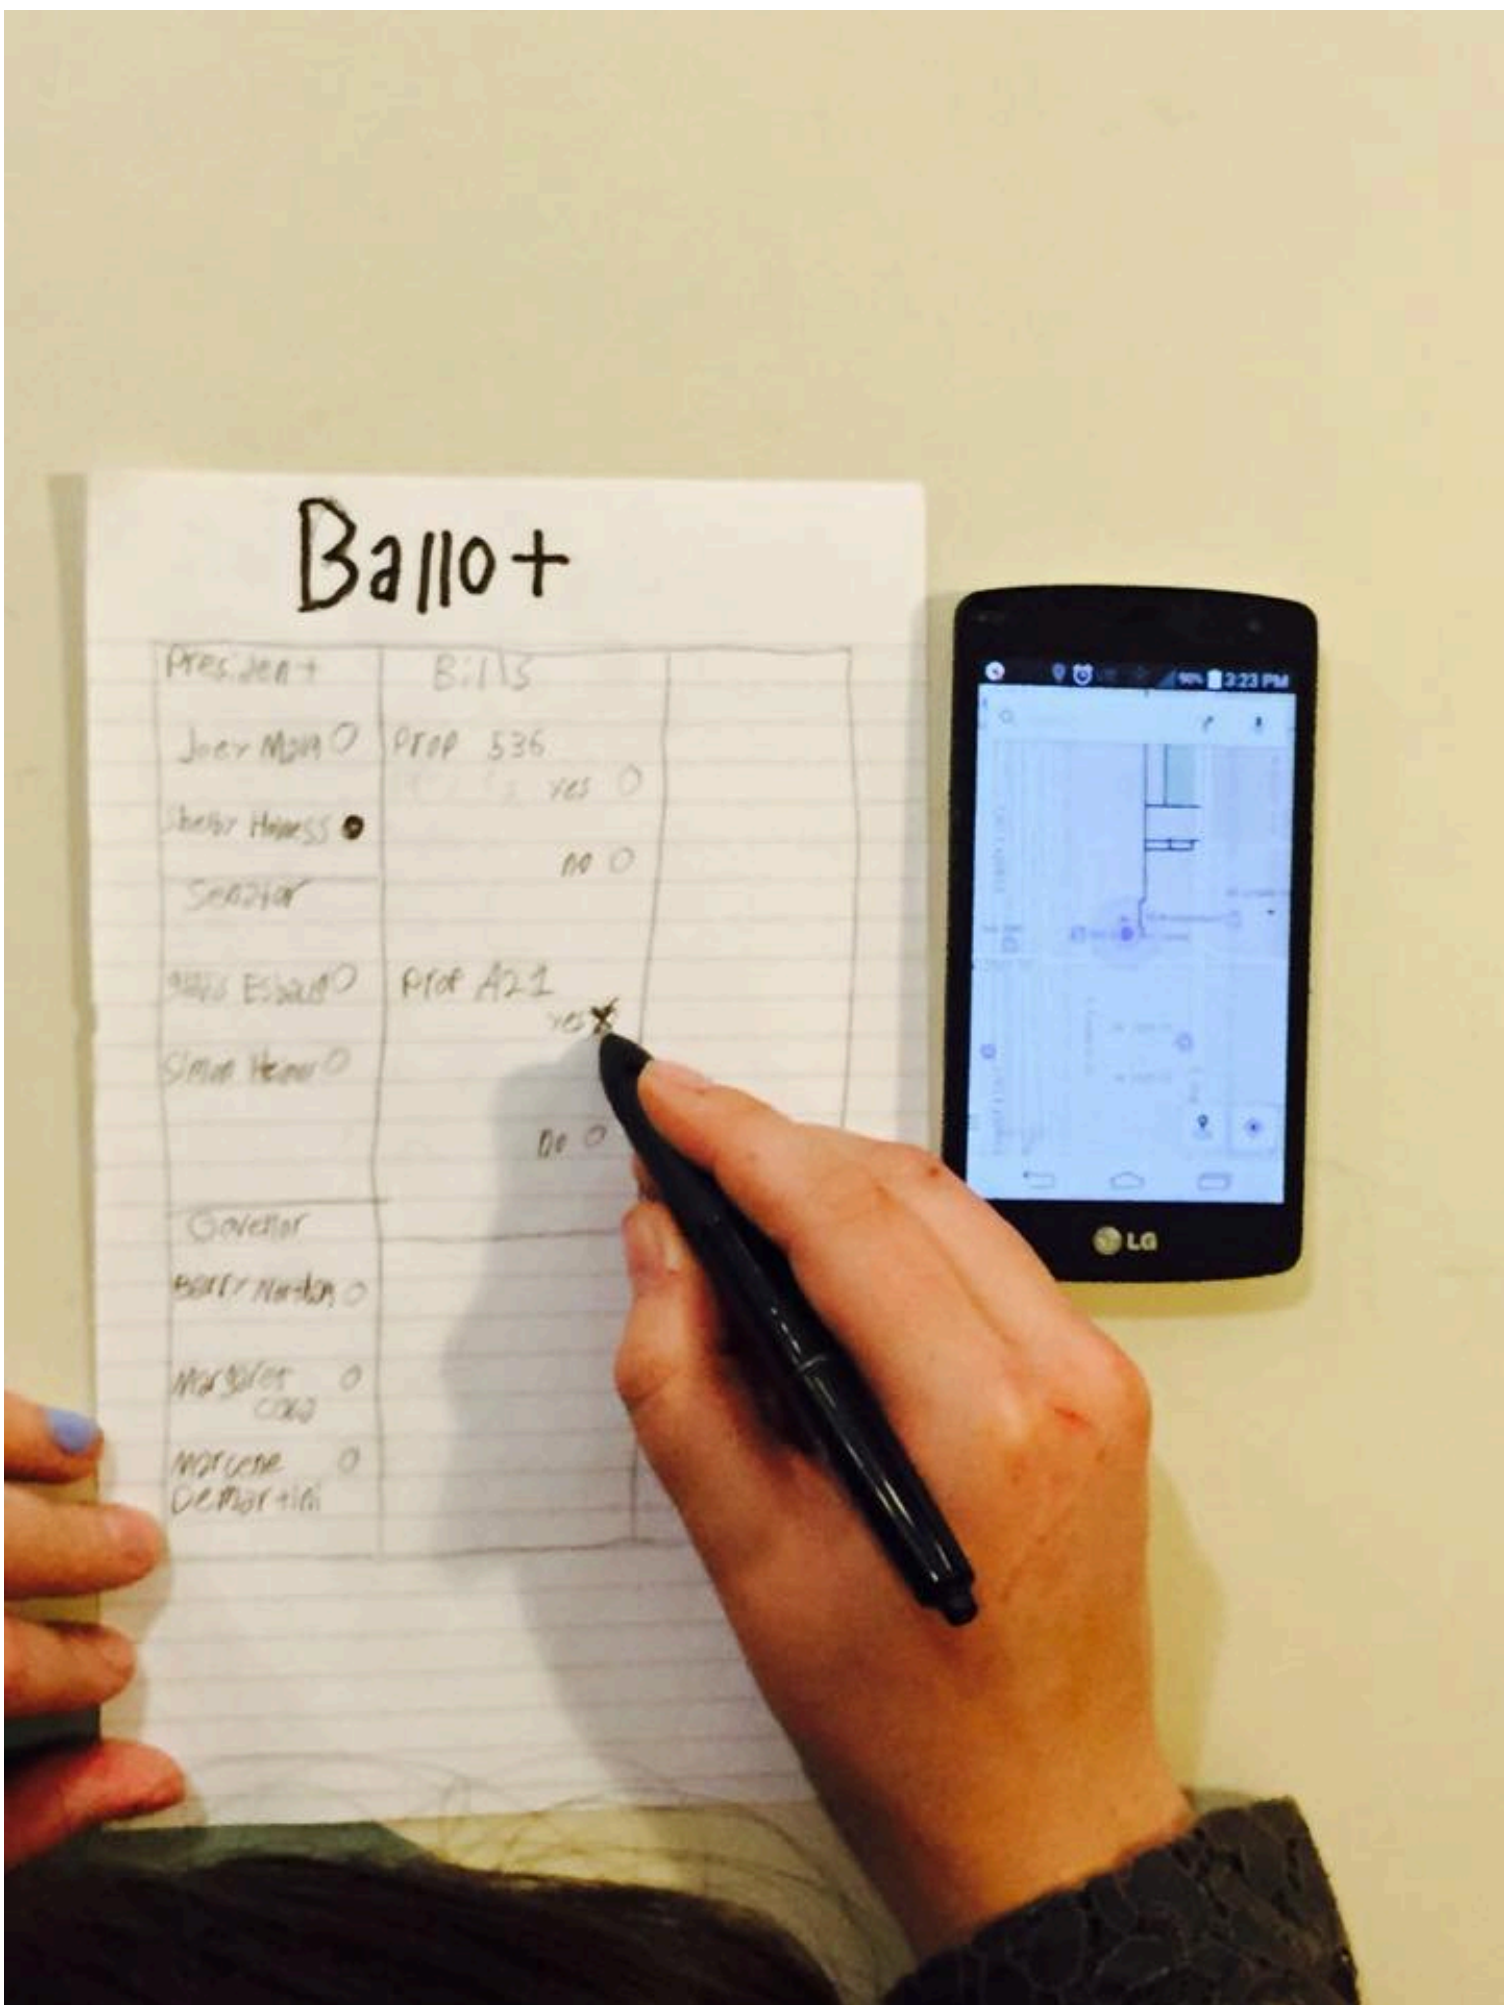

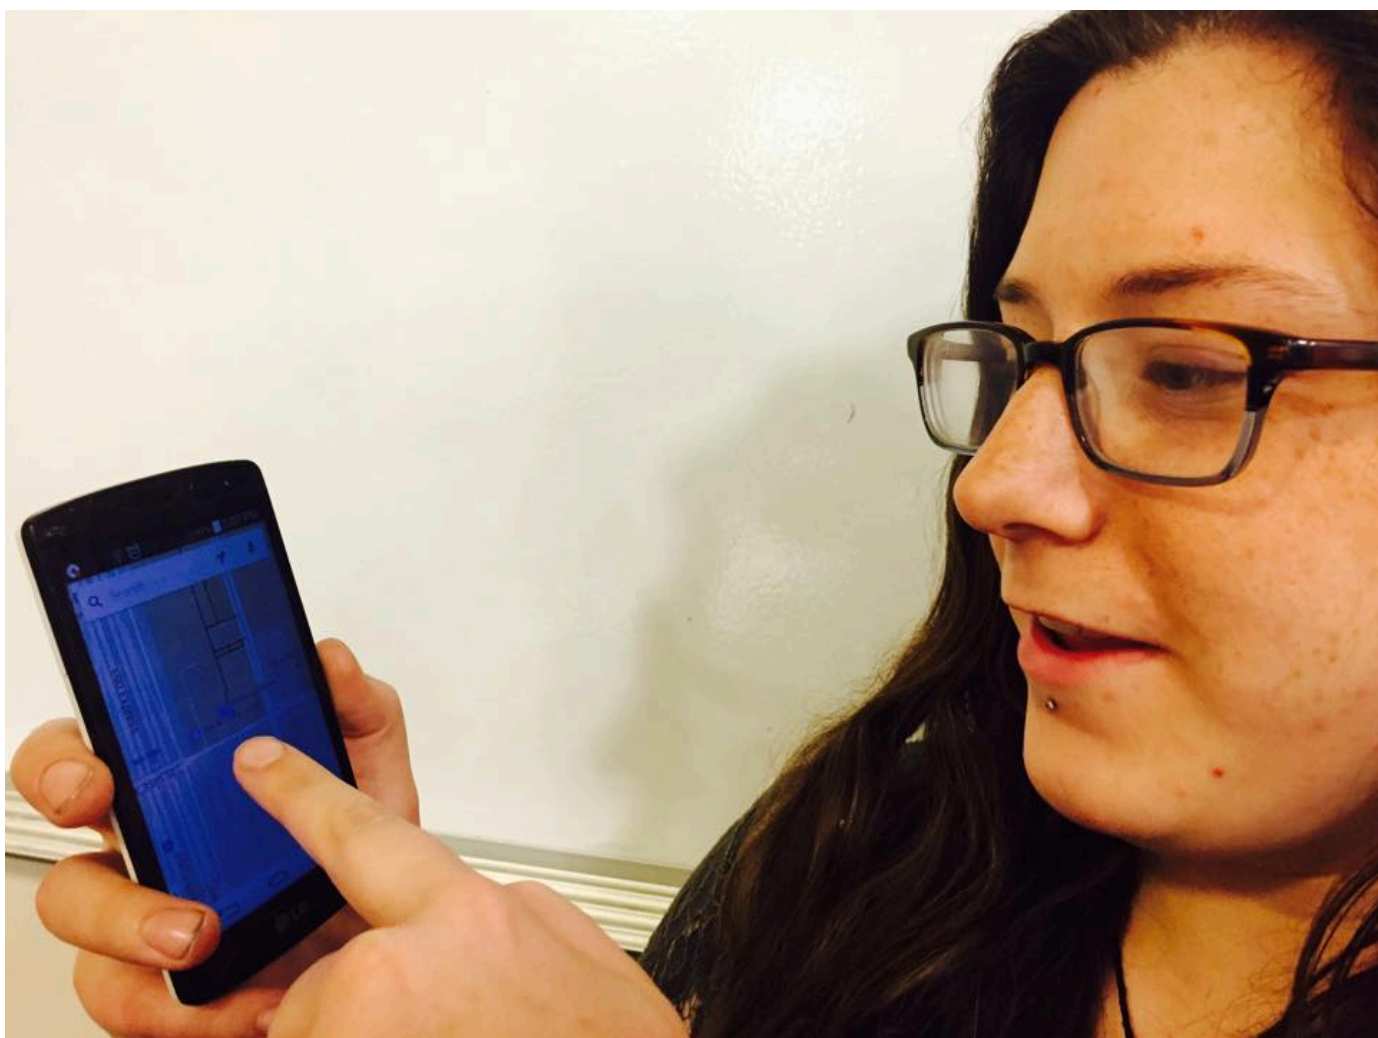

Civify helps you stay informed on politics. The app displays the nearest registration and voting locations. It gives non biased, snapshots of candidates running for office. As well as notifies when new Bills are passed and sends reminders on election days. And details a list of constitutional rights.

How does this benefit you?

Civify helps you stay informed on politics without being tedious.

- Civify give non biased candidates running for

What it is?

- Civify is an app that provides information on everyday politics as well as current elections in Chicago.

As well as notifies when new Bills are passed and sends reminders on election days. And details a list of constitutional rights.

Benefit to the user?

- Civify makes voting less tedious. When a person votes they usually have to do research on the candidates or on the bills that being are proposed. A lot of websites even news sites can portray bias. Voters tend to go through multiple sites to get the information they need. Civify has all the information voters need all in one place. Civify gives access to all they need to know about upcoming elections according to their location. It also sends reminders when election day is coming up and who won.
